**President
Carpet One Floor & Home**

Eric Demaree is a 32-year flooring industry veteran and has been with CCA Global for the past three years serving as President of Stone Mountain, GCO, and The Floor Trader and as Chief Operating Officer of Carpet One Floor & Home. Carpet One Floor & Home is the largest floor covering retailer network and the seventh largest home furnishings retailer in the industry with more than 1,000 locations and sales of more than \$3.9 billion.

Prior to joining CCA Global Partners, for eleven years Demaree grew the Home Depot's flooring department by opening over 1,000 stores and launching programs in his role as Merchandising Vice President for Home Depot and Home Depot Expo Design Centers.

As the new President of Carpet One Floor & Home, Demaree is extremely determined and focused on driving customers into stores, increasing sales, and continuing to build upon the success of Carpet One Floor & Home's multi-faceted branding programs.

Demaree and his wife Lynne currently live in the St. Louis area. He currently divides his time between the St. Louis, Missouri and Manchester, New Hampshire corporate offices.
